

The Notebooks of Paul Brunton: Inspiration and the Overself, 1988, 252 pages, Paul Brunton, 094391440X, 9780943914404, Larson Publications, 1988

Nearly everyone has brief moments of exalting communion with his or her own divine Soul and its finest possibilities: This book shows how to make the most of those moments; how to recognise, develop, test, and follow through on intuitions; how to contact the source of inspiration and make its vitalising power a continuous presence. One of the most poetic and beautiful sections of The Notebooks, it explores the paradoxical nature of the Overself -- where our human and divine natures meet and mingle.
